

PRATI**KO**

MODULAR CABINETS AND FURNITURE

PRATIKO**** is the brand of our modular cabinets, distributed and assembled into a shockproof package with assembly instructions. They are made of press-formed or cold-formed sheet steel with surface finish coating after phospho-degreasing pre-treatment by iron phosphates in protection and preparation for the final cross-linked varnishing in a continuous furnace at 160/180 C.

The standard colour is RAL 7035 grey*.

Assembled accurately, the product has a considerable resistance, the same as the UNIBLOCK version.

The lock is standard.

There are other colours:

	red RAL 3000*		lavender PANTONE 529 C*
	blue RAL 5015		acid green PANTONE 374 C
	white RAL 9003		chocolate brown RAL 8017*
	dark grey N.D.		

*color similar to the reference

For other colorations and shades, please contact our sales office.
